Love Your Look!

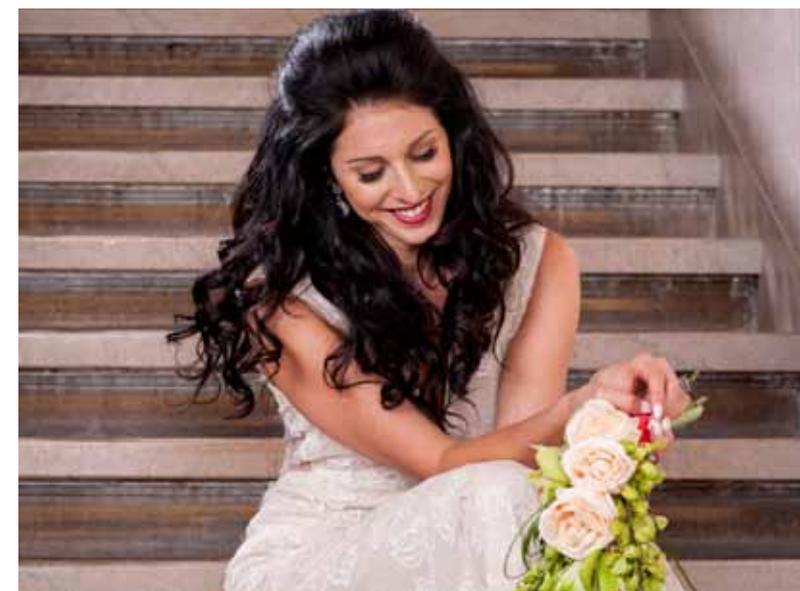

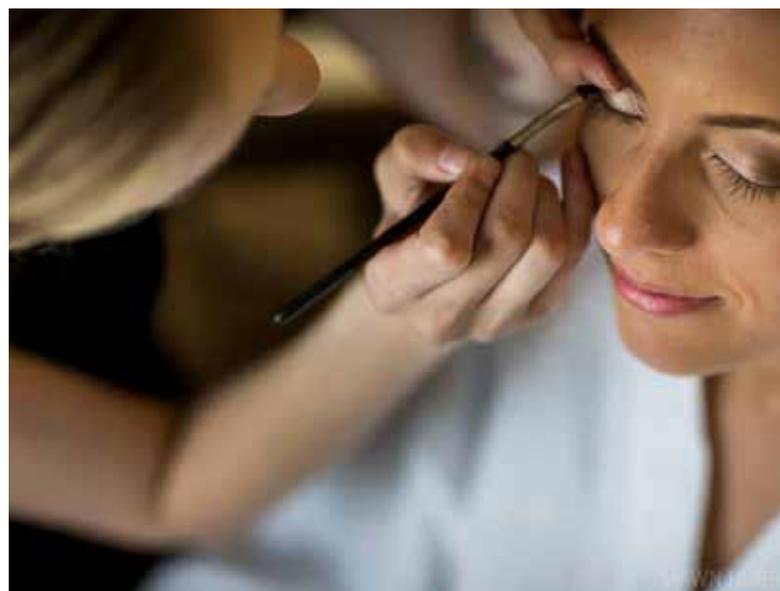

Thank you for choosing Phillip Michael Studio Bridal!

Our teams are ready to make you and your wedding party AMAZINGLY beautiful on this very special day!

You may wonder... Why should I choose Phillip Michael Studio Bridal?

Our hairstylists and makeup artists are professionals. When they aren't doing hair and makeup for weddings, they are seeing their regular clients, doing photo shoots or attending classes on the latest fashion trends in hair and makeup.

Our teams arrive to your special day dressed up! We know that your photographer will be snapping shots of you and your family and friends getting ready. No jeans and t-shirts here. We respect the specialness of your occasion and dress accordingly.

Love ♥ Your ♥ Look

You are our priority! We will be spending one of the most important days of your lives with you! We want you to feel special, relaxed, and trust that we will take great care of you. We have created many wonderful, lasting relationships with our past brides. We can't wait to meet you and get started on helping you love your look!

The world of weddings has become such an industry! People just assume that you know which order to do things in! We are here to help! When it comes to hair and makeup, this is what you need to know...

Wedding hair and makeup bookings go FAST! You will want to set up a complimentary phone consultation first. You can get a feel for us and tell us EXACTLY what you're looking for then, we can choose which artists are the best match for you. Please call 410-440-9725.

The next step is to save your date. This can be done by making a deposit of \$50 for the bride, and \$25 for anyone else having services done. Then your date is officially saved.

After that, it's time for your consultation!

*Our goal is not to make you unrecognizable to friends and family,
but to enhance the natural, beautiful you.*

You may know just the style for your big day or you may have no idea. We can try out some different looks until we find that jaw dropping, tear jerking YOU. That's what we do and that's why we love it!

And finally, your wedding day!

Our teams arrive at your home or chosen venue ready to work! You will have received a detailed schedule from our event coordinator. You will know just what to expect and when it will happen for each person having services done. All that's left is your happily ever after. With Phillip Michael Studio Bridal, you will look and feel amazing and definitely bring tears to your partners eyes!
